

Privacy Policy Leaneo

This Application, Leaneo, collects some Personal Data from its Users.

Summary

Personal Data collected for the following purposes and using the following services:

Access to third party services' accounts

Permissions: In app registration, photos, content commenting

Personal Data: In app registration, usage Data, Profile information

FULL POLICY

Data Controller and Owner

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Usage Data.

Other Personal Data collected may be described in other sections of this privacy policy or by dedicated explanation text contextually with the Data collection.

The Personal Data may be freely provided by the User, or collected automatically when using this Application.

Failure to provide certain Personal Data may make it impossible for this Application to provide its services.

The User assumes responsibility for the Personal Data of third parties published or shared through this Application and declares to have the right to communicate or broadcast them, thus relieving the Data Controller of all responsibility.

Mode and place of processing the Data

Methods of processing

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration) or external parties (such as third party technical service providers) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Data Controller at any time.

Place

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located, thanks to a cloud system.

Retention time

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request that the Data Controller suspend or remove the data. The User have access to his Data until one year after the date of suspending account.

The use of the collected Data

The Data concerning the User is collected to allow the following purposes: Access to third party services' accounts, Creation of the user in app profile, Content commenting and Keep information after a collect as selection, extraction and personal report.

The camera is used if the user wants:

- Upload photo/video to supply content to the app
- Take picture

The permissions asked are the following:

Basic information

By default, this includes certain User's Data such as id, name, passwords, company information and about their locale. If the user has made more of their data, more information will be available.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Access to the Leaneo account (This Application)

This service allows this Application to connect with the User's account on the Leaneo system.

Additional information about Data collection and processing

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular services or the collection and processing of Personal Data upon request.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time. Please see the contact information at the beginning of this document.

The rights of Users

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

This Application does not support “Do Not Track” requests.

To determine whether any of the third party services it uses honor the “Do Not Track” requests, please read their privacy policies.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this Application and can request that the Data Controller erase the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.

Definitions and legal references

Personal Data (or Data)

Any information regarding a natural person, a legal person or an institution, which is, or can be, identified, even indirectly, by reference to any other information, including a personal identification number.

User

The individual using this Application, which must coincide with or be authorized by the Data Subject, to whom the Personal Data refer.

Data Subject

The legal or natural person to whom the Personal Data refers to.

Data Processor (or Data Supervisor)

The natural person, legal person, public administration or any other body, association or organization authorized by the Data Controller to process the Personal Data in compliance with this privacy policy.

Data Controller (or Owner)

The natural person, legal person, public administration or any other body, association or organization with the right, also jointly with another Data Controller, to make decisions regarding the purposes, and the methods of processing of Personal Data and the means used, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The hardware or software tool by which the Personal Data of the User is collected.

Legal information

Notice to European Users: this privacy statement has been prepared in fulfillment of the obligations under Art. 10 of EC Directive n. 95/46/EC, and under the provisions of Directive

This privacy policy relates solely to this Application.
